

Coming out of Babylon

House Building Checklist:

- Authenticate Your Birth Certificate for a non-hauge country [use a country on the verified list found on www.c2kreport.com/authentication].
- While the Birth Certificate is being authenticated, establish your House/Embassy. [<http://www.c2kreport.com/documents.html>] Declaration of Establishment.
 1. Consider the name of your House/Embassy. It could be your surname or you can make one up. It's your House!
 2. Consider forming a Council or some other type of self-governing structure.
 3. Consider a spiritual name. When you came to Christ you became a new creature. New creatures are identified with new names. [You will need this later when you get an FGT]
 4. Consider what your embossed seal will look like and what you want on it.
 5. Purchase the seal with the House/Embassy name and other unique information on it.
- When you get your authentication back, from Sterling VA, paperclip an affidavit of ownership and administration to your authentication. [<http://www.c2kreport.com/documents.html>]
- After you have placed the affidavit on top of your authentication, paperclip the counter deed over the affidavit. [<http://www.c2kreport.com/documents.html>]
- Next record your biological and fictional [Birth Certificate/Strawman] property into the records of your House/Embassy, you will need to create the capacity to record property by legislating your House/Embassy.
 1. Pass a "RECORDS ACT" in your House/Embassy that grants the members of the House the ability to register property into your House/Embassy.
 2. Pass a RESOLUTION into the your House/Embassy that names a registrar and give the registrar powers to register property into the House and Certify documents that come from the House/Embassy.
- With your spiritual name, apply for a Foreign Grantor Trust [after you take the class you will be provided some videos that explain how.]
- Rebut the letter you get from the Treasury with the provided rebuttal form. [obtained after the class].
- Apply for a Ministry EIN [see videos provided after the class] and a seal for the Ministry.
- Place the Foreign Grantor Trust and the Ministry under security agreements with your House/Embassy.
- Open a Bank Account with your Ministry EIN [see Ministry banking checklist].
